Description

Rackheath Community Council is seeking quotations from suitably qualified and insured contractors to install new pathway lighting and external power supply at Jubilee Park and connecting footpath situated in the centre of the village development. This contract will also involve the removal of an existing supply from Holy Trinity Church.

Existing site Equipment:

3x full height light poles connected to the supply at Holy Trinity Church
1x 3 phase power outlet used for public events connected to the supply at Holy Trinity Church

New equipment:

Installation of a new UKPN 3 phase supply
Extension of the existing park lighting along the full length of the park walkway
Bollard lighting along the connecting path between Salhouse Road and Jubilee Park.

Experienced electrical installers are invited to tender for the contract. It is anticipated that construction will be carried out during the Summer/Autumn of 2023. The exact timescale will be agreed between the Council and the preferred contractor following award of the contract.

All prices are to be net - excluding VAT.

Companies must be registered with Highway Electrical Registration Scheme (HERS) and NICEIC Registration to tender for this contract. Please supply copies of current certificate for accreditations for the above membership plus details of any other relevant accreditations including Street Work qualifications.

The Contractor should submit both 3x copies all technical drawings with information specific to this project in hard copy by Friday 4th August 2023 at 5.00pm. A copy of all technical information relating to the materials proposed as well as maintenance instructions, guarantees and work defect maintenance period should be provided.
