  - b. A report from the Booking Assistant was noted by the Committee. Following customer feedback the Committee **agreed** to provide a private hire notice for use at the end of the patio to prevent public accessing the hired space during use.
  - c. No urgent work at the Pavilion to be considered but the following quotes to be approved:
    - i. The Committee **agreed** to employ Heritage Cleaning to clean the Pavilion windows inside and out every 4 months at a cost of £47.00 + VAT per clean.

- d. The finance committee reported that they had considered the costs involved in hosting football at the Pavilion and recommend that this cost should be passed onto those who use the facilities. As this is now solely Wroxham Youth Football club it was therefore **agreed** that they will be invoiced £6,000 for the season. It was also **agreed** that the quote prepared for Wroxham Youth Football Club for the 2021 tournament will not be increased for 2022.
  - The Committee also asked for the football contract to be updated to include at £50 call out fee when the building and surrounding ground is not left secure.
  - Contact details to be provided for all coaches.
- e. The Fire Risk Assessment stalled over the summer but Flameskill are due to attend and assess the installation of a fire alarm system with quote, which will be presented for consideration when available.
- f. Scribe booking app was discussed previously and a decision was deferred until September. While the bookings workload continues to be manageable, it was **agreed** that the purchase of the app should wait until such time as the workload increases.
- g. Pavilion hire fees were considered for those who work for the Council. A 10% discount already applies for those living in the village and therefore it was **agreed** that it would not be appropriate to discount any further. Hirers who were held at the pre-covid price will now be increased in two phases between now and the end of the financial year.
- h. The Committee considered the options for an out of hours call number but were unable to find a suitable process for how this would be managed. It was agreed to discuss with full Council and seek ideas.
